We are advised of the recent death at Tepic, near the City of Mexico, of J. C. White, who some years ago was very well known here. He sold the White Tail mine to the Copper Queen company. His death was caused by consumption from which he had suffered for a considerable time.

A few evenings ago a Phoenix woman left here for the coast. At the depot her husband, who had just bid her goodbye, was standing on the platform near the open window of the coach waiting for the train to go out, when another man whose standing was higher in the estimation of the woman than it is conceded to be by her husband, rushed up and thrust his hand toward the widow for a farewell shake. He failed to notice the presence of the husband who landed a Jeffries' lick on his jaw. When the victim recovered the train was well on its way. Later he was telling his experience to a friend who asked him if he retaliated. "I should say not," he replied. "I was dazed and I didn't have to shake hands with her again."—Republican.

His Life Was Saved.

Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever, that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and am now well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest cure for world for all throat and lung troubles. Regular size 50 cents and \$1.00 Trial bottle free at Copper Queen store and Bisbee Drug Co.; every bottle guaranteed.

This being the tenth day of the month and not being Sunday, it is pay day for the Copper Queen company's employees. This day of the month having been established as pay day by the consolidated company when reorganized in 1885 it has never been departed from. In business circles here it is the busiest day of the month and Bisbee today presents a gala appearance, the children as well as many of the older ones, in their holiday dress crowding the streets to witness the parade of Gentry's dog and pony show.

ADMISSION, \$1.00

The musical event of the season is the engagement of the Bostonians at the Tucson opera house, Tucson, A. T., March 13, when this famous organization will be heard in their latest and most successful comic opera triumph "The Songsters." Nothing that the Bostonians have rendered in recent years has met with such unqualified favor, and the numerous story and delicious quality of music has been endorsed by the greatest critics throughout the country. Already inquiries have been made concerning the sale of seats, and there is reason to believe that when it is opened an extraordinary demand will be made for the opera. The cast will include Henry Clay Barnabee, W. H. McDonald, Helen Bertran, Marcia Van Dresse, George Frothingham, Frank Rushworth, Josephine Bartlett, Frederick Knights, W. M. Fitzgerald, Grace Cameron, Charles R. Hawley, Edith Hondee and others, supported by a chorus of sixty fresh young voices and an orchestra under the baton of S. L. Studley. Seats will be on sale Thursday morning, March 8, at Kimball's book store. Dress circle, \$2.50; parquet, \$2.00; Balcony, \$1.50.

An Editor's Life Saved by Chamberlain's Cough Remedy.

During the early part of October, 1896, I contracted a bad cold which settled on my lungs and was neglected until I feared that consumption had appeared in an incipient state. I was constantly coughing and trying to expect something which I could not. I became alarmed and after giving the local doctor a trial bought a bottle of Chamberlain's Cough Remedy and the result was immediate improvement, and after I had used three bottles my lungs were restored to their healthy state.—R. For You to Read

"What puzzled me in the beginning was that I kept losing flesh without any cause for it that I could see. I had a little trouble with my stomach, too, and after a while began to grow weaker and to cough. The cough, I thought, would soon go away and cure itself, but it didn't. It grew worse, and then I began to spit up a peculiar looking substance. I never thought of consumption, but one day I had a hemorrhage, and then was frightened in earnest and did just what you would do. I rushed to the doctor. He was either too busy, or something else, for he didn't do me any good. I kept going on down hill, and the outlook was bad. Things took a different turn, however, when I heard of Acker's English Remedy for Consumption, for I took it, and it not only cured my coughing and spitting, but also built up my whole system. I took on permanent flesh, and today am just as healthy a man as you can find in a week's travel. You may be sure I always keep Acker's English Remedy in the house, and it is a good thing I do so, for one night my youngest child was seized with croup. That hoarse, wheezy cough was the first signal, and I lost no time in giving the poor little sufferer proper doses of this grand medicine. In almost no time the disease was under control, and my child was saved. I advise every parent to have a bottle handy all the time. It serves the same purpose in keeping croup out of the house that a good lock and key serve to keep burglars out. It is both an expectorant and a tonic. It cured me of consumption and my child of croup, and I know what I am talking about." (Signed) Hon. M. HOGAN, picture frame manufacturer, 242 Center Street, New York.

Acker's English Remedy is sold by all druggists under a positive guarantee that your money will be refunded in case of failure. 25c, 50c, and \$1 a bottle in U. S. and Canada. In England, 1s. 3d., 2s. 3d., and 4s. 6d. We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York.
